**GRAPHICS/PUBLICATIONS:** Before you begin any work for publication, consult the JBOSC Graphics Department. According to the print shop, approximately three jobs per week have to be reworked because of problems with alignments, reductions, and postscript formats. By consulting with JBOSC Graphics first, you will eliminate wasted time and effort to rework your project. Graphics will ensure your artwork is produced efficiently and is suitable for reproduction. Graphics has electronic transfer capability, a proven method for first quality prints directly from the original, compared to low density reproductions from copied artwork. For information, call 867-3838. For your convenience, JBOSC Graphics has two additional offices located in the O&C Building, Room 1152, 867-7419; and, in the OSB Building, Room 6204, 861-3814. An informative Equal Employment Opportunity Program poster with counselor's identities and further complaint information is on all KSC Official Bulletin Boards. About Discrimination (Your Rights) is available on the Equal Opportunity Office website at [www.ksc.nasa.gov/nasa-only/eo/discrimination.html](http://www.ksc.nasa.gov/nasa-only/eo/discrimination.html).
